

GRIPPLE PLUS FENCING

A range of wire joiners and tensioners suitable for all fencing applications.

Gripple Plus Fencing delivers significant time saving during installation due to their ease of use and intuitive design. Simplified installation, maintenance and repair with strong, long-lasting results suited to a wide range of fencing applications.

Benefits

- Join and tension in one
- Eliminates tying and knotting wires, reducing installation time
- Ideal for use on high tensile and mild steel wire
- Designed for high load holding and corrosion resistance
- Easily re-tensioned year-after-year

Specification

Product	Wire Type	Wire Range	Standard Wire Gauge	Maximum Working Load
