Technical Data Sheet

GRIPPLE TENSIONING TOOL

Rural Tree Planting

A lightweight, compact tools which tensions up to 6mm tensioners.

A wire tensioner tool that regulates the load applied to it, delivering consistent results and maximising the life of your wire. Ideal for wire fence tensioning and wire trellising tensioning.

Benefits

- Lightweight and compact
- Designed with an in-built gauge, controls the tension applied to the wire
- One tool works on all Gripple tensioners up to 6mm diameter wire
- Ensures consistent tension every time, optimising the life of wires
- Gear driven handles provide a 6:1 mechanical advantage, allows tensioning with minimal effort

Specification

Wire Range	Gauge Range	Maximum Working Load
Up to 6.00mm	100kg - 300kg	400kg
